

2020 Marching in Okayama Band & Program Introducing

INDONESIA, Central Java, Surakarta City	Sebelas Maret Marching Band
	<p style="text-align: center;">Independence of Me</p> <p>It tells about a career woman who lives in her top success. Like the other people, she has a normal daily life by spending her time working and doing other activities.</p> <p>Suddenly, one day, a tragedy happens and it makes her unable to work any longer. It all happens at once, without any warnings and preparations.</p> <p>Depressed and hopeless, that's what she feels. And on top of that, no one would help her, she gets ousted by everyone.</p> <p>However, she knows that the only way to break the situation is a strong determination with a hopeful prayer to God. After a series of tough efforts, she finally rises up from her hardship and makes her own freedom, the Independence of Me.</p>
